

Support document of Horizontal Organization Tree

First go to your Joomla! admin panel click on install/uninstall then select com_orgtree.zip and install it then create one link in main menu Organisation Tree and redirect it to “index.php?option=com_orgtree &view=orgtree &layout=default1”

Then go to frontend click on [Organisation Tree](#) which is created in main menu

The below screen will be opened after you have clicked on above menu

The screenshot displays the Joomla! frontend interface. At the top left is the Joomla! logo with the tagline "...because open source matters". To the right, there is a news snippet about server strikes in the U.S. Below the header are navigation tabs for "About Joomla!", "Features", "News", and "The Community". The main content area shows the breadcrumb "Home >> Organization Tree" and a search box. On the left, a "Main Menu" sidebar lists "Home", "Horizontal Familytree", "Vertical Familytree", and "Organization Tree". The central area is titled "Organization Tree" and shows a hierarchical tree structure. The root node is "CEO", which branches into "Project Manager1" and "Project Manager2". "Project Manager1" has two sub-nodes: "Team Leader1" and "Team Leader2". "Project Manager2" has two sub-nodes: "Team Leader3" and "Team Leader4". Each team leader node has a corresponding "Sr. S/W Developer" node below it. A "New" link is visible at the bottom left of the tree view. At the bottom right of the page, it says "Powered by Joomla!, valid XHTML and CSS."

Which displays records in your Organisation tree

Click on new to add more records

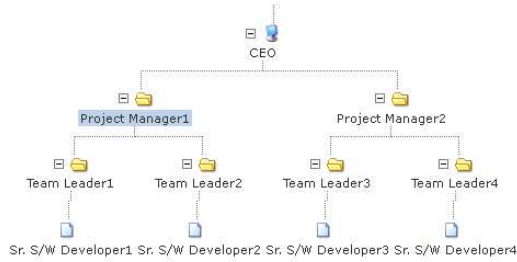

The screenshot displays the Joomla! 1.5 administration interface. At the top left is the Joomla! logo with the tagline "...because open source matters". To the right, a banner reads: "Joomla! 1.5 - 'Experience the Freedom!'. It has never been easier to create your own dynamic Web site. Manage all your content from the best CMS admin interface, and in virtually any language you speak." Below this is a navigation menu with links for "About Joomla!", "Features", "News", and "The Community". The main content area is titled "Home" and includes a search box. On the left, a "Main Menu" sidebar lists: Home, Horizontal Familytree, Vertical Familytree, and Organization Tree. The central "Tree Management" form contains the following fields: Name (text input), Gender (radio buttons for Male and Female), Birthdate(YYYY-MM-DD) (text input), Parent Id (dropdown menu with "Main" selected), Email (text input), Joining Date (text input), Qualification (text input), and Designation (text input). A "save" button is located at the bottom right of the form. The footer of the page states "Powered by Joomla!, valid XHTML and CSS."

Add name sex,birthdate etc. then select parent id and click on save button
Click on any node for this the hyperlink is given to each node for its detail
