Installation and Use of component

First install component from backend .

You can see Guest book sub tab under component tab.

The screenshot shows the Joomla! Administration interface for the 'Guestbook' component. The top navigation bar includes 'Site', 'Menus', 'Content', 'Components', 'Extensions', 'Tools', and 'Help'. The 'Components' menu is expanded, showing options like Banner, Contacts, CRM, Easybook Reloaded, Guest Book, MLM, News Feeds, Phoca Guestbook, Polls, Search, SEF Translate, and Web Links. The 'Guest Book' option is selected, and a sub-menu is visible with 'Home', 'Guest Books', and 'Messages' options. The 'Home' option is currently active.

A notification box at the top left says 'Form Saved!'. Below it, the 'Guest books Information' section contains a table with the following data:

#	<input type="checkbox"/>	ID	Name	Image	Description	Publish
1	<input type="checkbox"/>	1	admin	Blue hills.jpg	tttttttttttttt	✓
2	<input type="checkbox"/>	3	manju	Sunset.jpg	dfgdfg	✓
3	<input type="checkbox"/>	6	guest book3	Water lilies.jpg	fgdfgdfgdfgdfg	✓
4	<input type="checkbox"/>	7	guest book4	Writer.jpg	uiyyyyyy	✓

At the bottom of the table, there is a 'Display # 20' dropdown menu.

Joomla! is Free Software released under the GNU/GPL License.

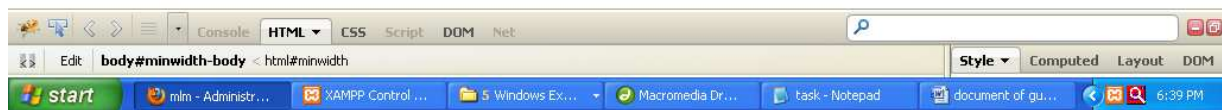

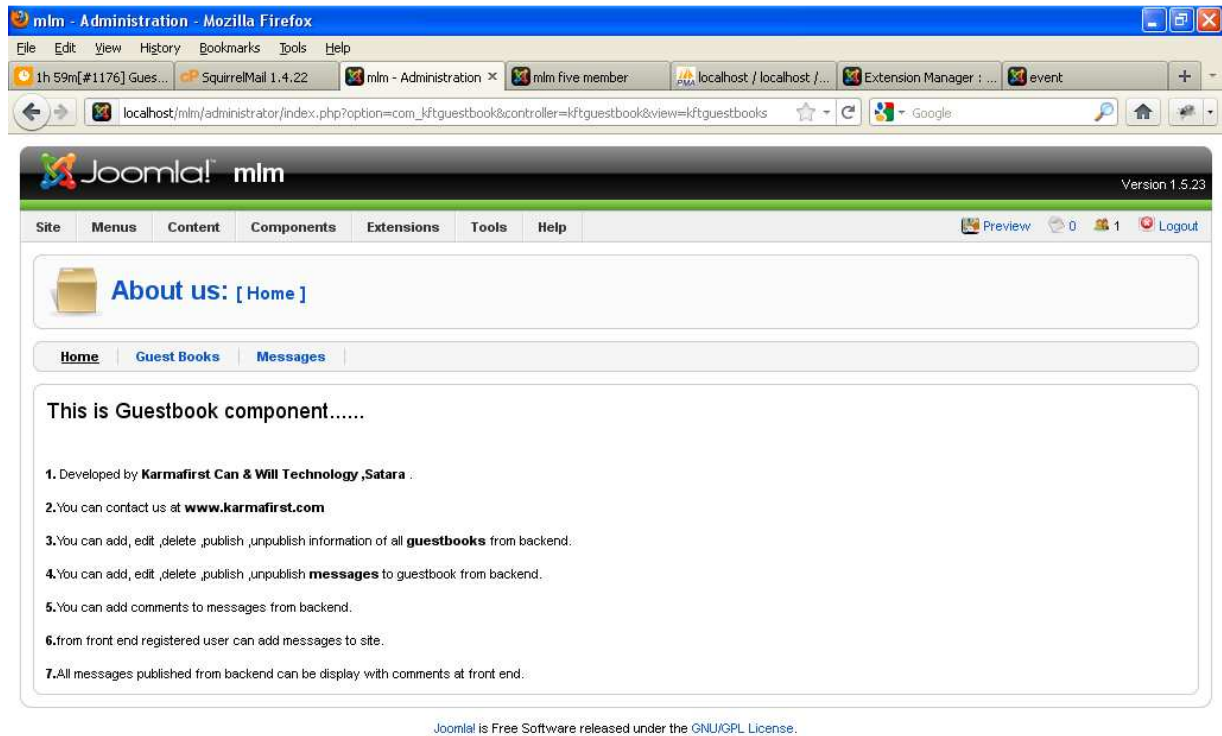

The screenshot shows the browser's developer console with the 'HTML' tab selected. The console displays the following HTML structure:

```
body#minwidth-body <html#minwidth
```

The browser's taskbar at the bottom shows several open applications, including 'mlm - Administr...', 'XAMPP Control...', '5 Windows Ex...', 'Macromedia Dr...', 'task - Notepad', and 'document of gu...'. The system clock indicates the time is 6:36 PM.

At Home tab :

You can see all information of component .

At Guest Book tab:

You can see all guestbooks information.

Guestbooks Info

Home | **Guest Books** | Messages
